Plant: **HONTER Company s.r.o.**  
Address: Na Křtaltě 42, 789 01 Zábřeh, CZ  
Order: Z030260004

Product Description:

The product is a sprayed rigid polyurethane foam system, a system consisting of components (isocyanate component and polyol component) which, after spraying, form a rigid polyurethane foam characterized by the specific properties of the foam produced. The isocyanate component is a liquid isocyanate product, which is one of the components of the rigid foam system. The polyol component is a liquid polyhydroxylated product containing a blowing agent, catalysts and other additives

System boundaries include information modules A1-A3, C1-C4, D according to EN 15804+A2:2019.

Product Category Rules (PCR): EN 15804+A2:2019.

The Certification Body has independently verified the environmental statement in accordance with the requirements of:

**EN ISO 14025:2010** Environmental labels and declarations - Type III environmental declarations - Principles and procedures

**EN 15804+A2:2019** Sustainability of construction works - Environmental product declarations - Core rules for the product category of construction products

The certificate is issued on the basis of the final EPD verification report 030-069724 of 2026-01-21 issued by Technical and Test Institute of Construction Prague. The report includes the conclusion of the findings and terms of validity of the certificate.

Praha, 2026-01-21

The certificate is valid till: 2031-01-21

No. 3015
